

Figaro: Barber chair

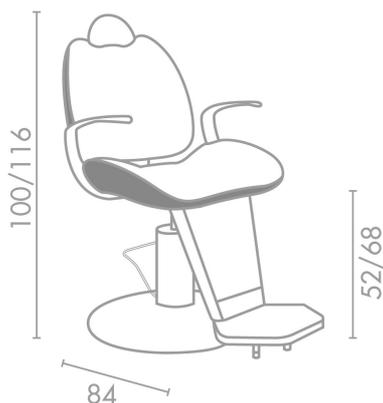

The amazing **FIGARO** barber chair takes a classic style and adapts it for the modern barber salon. The accommodating, soft curves of the seat and backrest provide amazing comfort, with the upholstered legrest support continuing the colour of the chair itself. A strong, reliable reclining mechanism and adjustable headrest offer excellent functionality, and the seat, back and legrest support are available in one and two-tone variations from a wide choice of colours, at no extra cost. The Figaro is available in two versions, one with black polyurethane armrests and black base, or with stylish aluminium armrests and chrome base.
