## Andrea: Hairdressing chair

Andrea shows a strong character and an industrial style. The overall squared design of the chair is emphasized by the black metal armrests complete with an additional upholstered arm support. The comfortable seat and the wide backrest are finished with quilted stitching that give the chair personality and grit.

Andrea is available in a wide choice of colours at no extra cost!

## **ARTICLES**

Luca Rossini chairs are available with three different types of base five-star, round or rounded — in steel or with an elegant black finish, paired with a chrome brake pump that combines functionality and style.

LR/C154 chair with star base, pump with brake
